UNITY

THE PRACTICE OF UNITY

I am a lover of humanity.
I seek common ground.
I appreciate differences,
I resolve conflict peacefully.
I honor the value of each individual.
I am a unifier.

Bobcats worked together in their virtue groups and showed one another the meaning of unity (older classes teamed up with younger classes). We were very proud of the cooperation and leadership skills our bobcat showed. Please work with the school & continue to talk with your child(ren) about the importance of UNITY. Building the home-school connection is important.

Burntwood Participated in RDPC's Take you Child to Work day...

From Rebecca Hall (Gr.9- RDPC "former Bobcat")
On November 1st I came to Burntwood Elementary for bring your kid to work day. I spent the whole day with Ms. Vandale and her class. I helped teach grade 6, and at the end of the day I got to control the class for a period. They were really nice people. They asked me to come back and if I have the chance I will because it was lots of fun. I am very thankful that I went because if I hadn't I would just have to at RDPC attending regular classes.

EVERYBODY IN SCHOOL EVERYDAY!

Daily attendance is important for all students. Students who attend school regularly are more engaged in learning, have a greater sense of belonging in their communities, and are more likely to graduate.
