Tolerance:

Tolerance helps us to accept differences and frees us from being judgmental. It is recognizing that all people have feelings, needs, hopes and dreams. Tolerance is an appreciation for diversity, whether of culture or temperament. It leads to unity. It is being patient and forgiving when others make mistakes, while calling on discernment to know when to stand up for justice. Tolerance is accepting things that we wish were different with humor and grace. It allows us to embrace the pain as well as the joys of life.

The Practice of Tolerance

I appreciate differences.

I free myself from prejudice.

I refrain from judging myself or others.

I forgive mistakes.

I accept what I cannot change.

I balance acceptance with justice.

EVERYBODY IN SCHOOL EVERYDAY!

Daily attendance is important for all students. Students who attend school regularly are more engaged in learning, have a greater sense of belonging in their communities, and are more likely to graduate.
