UNITY

Unity helps us work and live together peacefully. We feel connected with each other and all living things. We value the specialness of each person as a gift, not as a reason to fight or be scared. With unity we accomplish more together than any one of us could alone.

Bobcats will be working together learning & practicing the virtues. Our first virtue is UNITY – Please work with the school & continue to talk with your children about the importance of UNITY at home. Building the home-school connection is important.

November is bullying awareness month. We will be working with the student council members to help out in developing some presentation on “keeping it kind”. Some of the classroom teachers in grade 3-5 have requested a presentation. November is also addiction awareness month. AFM will be hosting a number of community events.

- A number of student council members were fortunate to once again attend the WE DAY events held in Winnipeg October 25th. Former Burntwood school student, Andrew Endres, was hi-lighted and recognized for his outstanding commitment to volunteering for a number of school activities during the WE DAY Event. **Burntwood school is collecting non-perishable food items for the food bank during the month of November.** Our school was awarded gift cards from THE KEG, allowing us to host a number of fundraising efforts.
- A huge thankyou goes out to all the parents and staff who donated items to our fun fair.

Reminder: Once students are dismissed from school they should leave the school grounds /playground immediately (unless they are waiting for a ride or the bus). There is limited supervision at this time and we strive to keep all students safe. Thank you for your cooperation in this matter.

ATTENDANCE
