The Grade 5 students attended Mile 20 camp on September 20 & 21. Here is a story/reflection of the day.

My Special Day at Mile 20

The day started when I walked to school early to get on the bus. I felt really excited because we were going to spend the day at Mile 20, and have a lot of fun of course!

The first activity was archery and we shot a bunch of arrows. We had to target some balloons. The bow was big and awesome but the arrows were small and tiny. The next activity was... Lunch! I had bannock with cheese whiz on it. It was so good because it was fried bannock. I took some home too, for my daddy. Next we drew cool "love" eagles. I actually got mine signed by Jasyn Lucas. It was so cool I wish and hope I can see him again.

The whole day was super fun. At the end of the day I felt sad because we were leaving the fun behind, but I was too tired to walk anymore.

VIRTUE: KINDNESS

Please have a talk with your child about street safety. The intersection with the 4-way stop is very busy and we want all our students to be safe. During our assembly we learned a little song to help us remember what we need to do when crossing a street. (For those little ones)- Please practice chanting the song with your child when talking about street safety.

It's called
Stop, Look & Listen!

STOP, LOOK, & LISTEN
before you cross the street....

use your eyes,
use your ears
and THEN...
use your feet!

Be a part of Parent Council... Meetings held last Thursday of the month @ 6:30 in the Library
Next meeting Oct27th @ 6:30

Parent CONNECT

Connecting Schools With Parents

The district is encouraging everyone to use PARENT CONNECT. Please submit your email address to Mrs. Meuse! Parent connect allows parents to view students attendance/ assignments and set up appointments for student led conferences.

Reminder: Once students are dismissed from school they should leave the school grounds /playground immediately (unless they are waiting for a ride or the bus). There is limited supervision at this time. Thank you for your cooperation in this matter.

Extra curricular activities

- choir
- drama
- junior basketball
- volleyball (jr. high)
- student council

Junior High will be participating in the Youth Behavior Survey on October 12. A copy of the survey is in the front office if parents wish to view it. The survey is the property of Adolescent Health Education Committee and the NRHA.

BE the change you want to see in this world

EVERYBODY IN SCHOOL EVERYDAY!

Daily attendance is important for all students. Students who attend school regularly are more engaged in learning, have a greater sense of belonging in their communities, and are more likely to graduate.
