2017-2018 Counselors Corner

It sure is Wonderful to see our school year off to a great start. My name is Ingrid Gosselin and I am your school guidance counselor. My role in the school is to support students with well –being, mental health promotions, collectively work on pro-active social skills and safety strategies and support students and teachers in the best manner that promotes healthy and positive attitudes and choice. If I can assist you in any way, please feel free to call me at 677-6107.

Student council will meet every Wednesday in the library. Student council teacher leaders are Mrs. Wamboldt , Mrs. Lowen and Mrs. Gosselin.

Student council plays a very important role in the school. Student voice is important at Burntwood Elementary and by being an active student council member, you can advocate for peers while developing your leadership skills and qualities. Please ensure that your child packs a lunch that doesn't require heating up. We do not have access to a microwave in the library. Our meeting will run every Wednesday for the first term and taper off to every second Wednesday around the Christmas Holiday.

Student council will be hosting a number of fundraisers during the month of October.
Popcorn sales: October 6th \$2.00/ bag
Bake Sale -October 11th. \$1.00 per item. If you are willing to donates baked goods to our sale, please bring the items in the morning of Wednesday October 11th
On October 12th, some student council member will be volunteering at the 3rd. annual “jamming for Jackets”, being held at the Juniper center. This event is a free night of entertainment. Donations of winter gear for children and adults and non-perishable food items are being accepted.
Movie day October 18th \$5.00 includes popcorn and juice box and movie entry 3:45 - 5:15. Our FUN Fair will be held On Halloween day (Oct. 31). Stay tuned for further information.

Makerspace

New to Burntwood this year is our school wide Makerspace. This is an exciting and innovative addition to our school library. A Makerspace is a

Burntwood School News - October

DIY space where students can gather to create, invent, and learn. It's encourages a maker mindset of creating something out of nothing and exploring your own interests. makerspace. These spaces are also helping to prepare those who need the critical 21st century skills in the fields of science, technology, engineering, arts and math. They provide hands on learning, help with critical thinking skills and even boost self-confidence. At Burntwood School, our Makerspace will include a variety of interactive materials where students can explore ideas, thoughts, and personal passions all while interacting with their peers. Our library has devoted a corner of shelves with electronics, crafts and hardware supplies and tools, and most exciting a Lego wall Burntwood is planning to have the Makerspace in operation before the end of October!

Once students are dismissed from school they should leave the school grounds /playground immediately (unless they are waiting for a ride or the bus). Thank you for your cooperation

in this matter.

Please do not use the STAFF parking as a pick up or drop off zone. The front loop is the only designated student drop off or pick up area.

EVERYBODY IN SCHOOL EVERYDAY!

Daily attendance is important for all students. Students who attend school regularly are more engaged in learning, have a greater sense of belonging in their communities, and are more likely to graduate.
