Parents need to self-screen their children every day prior to coming to school. Keep your child home when sick, even if mildly ill. Enhance personal hygiene, including:

- regular & thorough hand washing;
- covering your nose and mouth with tissue or sleeve when coughing or sneezing;
- avoid sharing food or drinks; and,
- avoid touching your face.

Burntwood School continues to operate in code **ORANGE** (2m social distancing).

We are limiting the amount of people in the building, therefore it is still necessary to call the school to make arrangements. During code orange, the direction from Manitoba Education is to focus on the core subjects (Math, ELA, Social Studies and Science). Class spaces have been re-designed to meet the 2m protocols & some teacher have been re-assigned.

Education Week April 19-23!

One of Burntwood's school goals continues to be increasing attendance. We understand during these difficult times that parents are feeling apprehensive. At the school we are working diligently following the health and safety protocols. Please contact the school if you continue to have concerns and we will try and answer your questions. If children are not in

school they need to be registered with Home Schooling. 1-800-282-8069

Please provide the secretary with your email address you can benefit from the use of parent connect. For more information on parent connect or to seek assistance with getting logged on, please feel free to contact the school secretary @ 2046776100.

ATTENDANCE

Please ensure you call the school or email the secretary if your child will be absent. A synervoice message will be sent home if the school is not notified about students' absence. If attendance becomes a concern, your child's attendance will be reviewed and an attendance letter may be issued. Especially during this time, communication about attendance is key, so please continue to call in.

Reminder: Once students are dismissed from school they should leave the school grounds /playground immediately (unless they are waiting for a ride or the bus). **Students from one cohort should not be in other cohort areas.** We strive to keep all students safe. Thank you for your cooperation in this matter.
